

JAECOO

J5 HEV + J5 EV

THE ALL - NEW JAECOO J5

**EVERYTHING YOU WANT.
MORE THAN YOU NEED.**

Two electrified ways forward.

THE RANGE

ONE J5. TWO WAYS FORWARD.

Some want the freedom and familiarity of petrol, enhanced by intelligent hybrid power. Others are ready to move beyond petrol completely.

The all-new JAECOO J5 lets you choose. HEV or EV, you get the same confident design, generous space, intelligent technology and considered comfort. The difference is how you power it.

J5 HEV

**Electrified driving without
changing the way you live.**

The familiarity and flexibility of petrol, enhanced by the efficiency and performance of an intelligent hybrid system.

J5 EV

**Fully electric driving,
ready now.**

Petrol-free performance, convenient charging and advanced electric technology designed around everyday life.

**CHOOSE THE POWERTRAIN.
KEEP EVERYTHING ELSE.**

DESIGNED TO MAKE MORE OF AN ENTRANCE.

The J5 brings together strong SUV proportions and clean, contemporary design. Its confident stance, carefully sculpted surfaces and distinctive lighting give it a presence that feels substantial without becoming excessive.

Every line has purpose.
Every detail adds character.

**FROM EVERY ANGLE, THE J5
LOOKS PREPARED FOR MORE.**

EVERYTHING IN ITS PLACE. INCLUDING YOU.

The J5 cabin is designed around the people inside it. Generous space, carefully considered materials and intuitive controls create an environment that feels premium without becoming complicated. The panoramic moonroof and power sunshade allow you to adjust the cabin's atmosphere as easily as its temperature.

SHARED COMFORT FEATURES

Leather seat upholstery	Six-way powered driver's seat
60/40 split-folding rear seats	Dual-zone automatic climate
Second-row air-con outlets	Leather multifunction steering wheel
Panoramic moonroof & power sunshade	Rear centre cup holder
Boot cover	Luggage-area power outlet

J5 HEV

Four-way manual
Front passenger seat
Six-speaker audio system
50 W Wireless charging

J5 EV

Powered front-passenger seat
Ventilated front seats
Eight-speaker audio
50 W wireless charging

MORE TECH. LESS FUSS.

Technology is most useful when it feels natural. The J5 brings information, entertainment, vehicle settings and connectivity together through a clear digital interface designed to be easy to understand and close at hand.

13.2-inch infotainment

A large central interface provides access to media, connectivity and key vehicle functions.

8-inch driver display

Essential driving information is positioned directly ahead of the driver.

Wireless connectivity

Wireless Apple CarPlay and Android Auto connect compatible devices without another cable.

Voice command

Control selected features while keeping your attention where it belongs.

Wireless charging

Keep compatible devices charged without plugging them in.

J5 EV + HEV

Connected ownership: Carlinko app control, subject to confirmation of final South African functionality.

**EVERYTHING CONNECTED.
NOTHING COMPLICATED.**

OVER-QUALIFIED FOR THE UNEXPECTED.

The J5 uses a comprehensive combination of active driver assistance, visibility technology and passive protection to support the driver on every journey.

SHARED DRIVER ASSISTANCE

Adaptive Cruise Control
Autonomous Emergency Braking
Lane Keeping Assist
Lane Departure Warning
Lane Departure Prevention
Emergency Lane Keeping
Integrated Cruise Assist
Traffic Jam Assist
Forward Vehicle Departure
Reminder
Intelligent Evasion System
Multi-Collision Brake
Rear parking sensors

SHARED SAFETY SYSTEMS

Front dual airbags
Front side airbags
Side curtain airbags
Electronic Stability Programme
Traction Control System
Hill Start Assist
Hill Descent Control
Brake Assist
Tyre Pressure Monitoring
System
ISOFIX child-seat attachments

ADDITIONAL J5EV ASSISTANCE

Blind Spot Detection
Lane Change Assist
Rear Cross Warning
Door Opening Warning
540 Panoramic camera

**MORE AWARENESS AROUND YOU.
MORE CONFIDENCE WITHIN.**

MORE ROOM FOR WHATEVER COMES NEXT.

Workdays. Weekends. Passengers. Luggage. Plans that become bigger than expected.

The J5 combines city-friendly dimensions with useful interior space and a flexible second row that adapts around passengers, luggage and longer items.

SHARED DIMENSIONS

Length	4 380 mm
Width	1 860 mm
Height	1 650 mm
Wheelbase	2 620 mm
Seats	5

J5 HEV

410 litres, seats raised

1 214 litres, row folded

J5 EV

480 litres, seats raised

1 284 litres, row folded

HEVERYTHING
FITS.

WHICH J5 IS YOUR J5?

	J5 HEV	J5 EV
Powertrain	Petrol-electric hybrid	Fully electric
External charging	Not required	Required
Maximum power	165 kW	155 kW
Maximum torque	295 Nm	288 Nm
Battery	1.83 kWh NCM	58.9 kWh LFP
Energy stop	Refuel normally	Charge at home or publicly
Driving character	Flexible hybrid performance	Quiet, immediate electric response
Luggage capacity	410 litres	480 litres
Best considered by	Drivers wanting electrification with familiar petrol flexibility	Drivers ready to leave petrol behind

Choose the J5 HEV when:

Your driving includes regular long-distance travel, you value familiar refuelling and you do not want to rely on external charging.

Choose the J5 EV when:

You have access to regular charging and are ready for petrol-free everyday driving.

TWO DIFFERENT ANSWERS.
BOTH VERY J5.

SECTION ONE

HYBRID

J5 HEV

**ELECTRIFIED DRIVING
WITHOUT CHANGING
THE WAY YOU LIVE.**

EXTERIOR · POWERTRAIN · SPECIFICATION · OWNERSHIP

LOOK CLOSER. THERE'S **MORE.**

Features may be model - or
derivative-dependent.

01 **Signature illumination**

LED headlights and distinctive daytime running lights give the J5 a clear, confident light signature.

02 **Confident footing**

18-inch aluminium alloy wheels reinforce its planted SUV stance.

03 **A wider view**

The panoramic moonroof opens the cabin to more light, air and sky.

04 **Effortless access**

The power tailgate makes loading and unloading simpler.

05 **Ready for more**

Integrated roof rails add useful carrying capability without interrupting the clean exterior design.

07 **Everyday convenience**

Electrically adjustable, folding and heated exterior mirrors make daily driving easier.

FAMILIAR PRESENCE. ELECTRIFIED UNDERNEATH.

CHOOSE THE **J5** THAT LOOKS LIKE YOURS.

From considered neutrals to more expressive finishes, the J5 HEV colour range lets you choose the presence that suits you.

Alpine Green

Canyon Black

Zircon Grey

Snowy White

Two Tone: Alpine Green with Black Roof

Final South African exterior palette and colour names for the J5 HEV to be confirmed. Availability may be derivative-dependent.

PLUG IT IN? NEVER **HEV**ER.

Hybrid power without changing the way you live. The J5 HEV combines a 1.5-litre turbocharged petrol engine with intelligent electric assistance through a dedicated hybrid transmission.

The system manages petrol and electric power automatically. There is no external charging requirement and no new routine to learn. Just smooth performance, considered efficiency and the flexibility to keep going.

KEY FIGURES

Maximum power	165 kW
Maximum torque	295 Nm
Fuel consumption	NEDC: 5.6 L / 100 km WLTC: 5.3 L / 100 km
CO ₂ emissions	126 g/km
Fuel tank	51 litres
Hybrid battery	1.83 kWh NCM
Transmission	DHT

**POWERFUL WHEN YOU WANT IT.
EFFICIENT WHEN YOU NEED IT.**

J5 HEV SPECIFICATION

HYBRID · TECHNICAL DATA

POWERTRAIN AND PERFORMANCE

Engine	1.5 TGDI hybrid
Transmission	DHT
Maximum power	165 kW

LIGHTING

LED headlights	Rear fog lamps
Automatic headlights	Follow-Me-Home lighting
Automatic high- and low-beam	Multicolour ambient lighting
LED daytime running lights	Front and rear reading lights
LED taillights	Luggage-area light

Features and specifications may be model- or derivative-dependent and are subject to change without notice. Fuel-consumption figures may vary according to driving style, road, weather and operating conditions. Contact a JAECOO dealership or visit jaecoo.co.za for final South African specifications.

J5 HEV

PEACE OF MIND, BUILT IN.

A comprehensive ownership package, including a one-million kilometre engine warranty that reflects JAECOO's confidence in the engineering at the heart of the J5 HEV.

Factory warranty	5 years / 150 000 km
Engine warranty	10 years / 1 000 000 km
Roadside assistance	5 years / unlimited km
Service plan	5 years / 75 000 km
Hybrid battery warranty	10 years / unlimited km

READY FOR THE ROAD. BACKED FOR THE JOURNEY.

SECTION TWO

ELECTRIC

J5 EV

FULLY ELECTRIC DRIVING,
READY NOW.

EXTERIOR · POWERTRAIN · SPECIFICATION · OWNERSHIP

SAME PRESENCE. QUIETER ABOUT IT.

Features may be model - or
derivative-dependent.

01 Signature illumination

LED headlights and distinctive daytime running lights give the J5 a clear, confident light signature.

02 Confident footing

18-inch aluminium alloy wheels reinforce its planted SUV stance.

03 A wider view

The panoramic moonroof opens the cabin to more light, air and sky.

04 Effortless access

The power tailgate makes loading and unloading simpler, with roof rails adding useful carrying capability.

05 A quieter cabin

Acoustic glass helps keep road and wind noise where it belongs — outside.

07 Protected underneath

An underbody shield helps protect the high voltage battery pack.

Acoustic glass and underbody shield subject to final derivative confirmation.

NOTHING TO HEAR. PLENTY TO SEE.

CHOOSE THE J5 THAT LOOKS LIKE YOURS.

From considered neutrals to more expressive finishes, the J5 EV colour range lets you choose the presence that suits you.

Alpine Green

Canyon Black

Dusk Grey

Snowy White

Two Tone: Alpine Green with Black Roof

Final South African exterior palette and colour names for the J5 EV to be confirmed. Availability may be derivative-dependent.

**ELECTRIC ISN'T
EVENTUAL. IT'S HERE.**

Charging times depend on charger capacity, battery temperature and operating conditions. Final maximum DC charging rate to be confirmed.

J5 EV

FUEL STOPS? NEVER.

Fully electric. Fully ready. The J5 EV replaces petrol with quiet, responsive electric performance.

Its 58.9 kWh lithium iron phosphate battery can be charged at home or through compatible public charging infrastructure, making fully electric driving easier to fit into everyday life.

Immediate torque delivers confident acceleration, while Vehicle-to-Load capability lets the J5 EV provide power to compatible external devices.

KEY FIGURES

Maximum power	155 kW
Maximum torque	288 Nm
Battery	58.9 kWh LFP
AC charging	Up to 11 kW
DC charge time	30–80% in approx. 28 min
